AT MIAMI UNIVERSITY

We're starting at \$800 and will offer the spot to the highest bidder!

The Hillel Foundation for Jewish Life at Miami University (www.muhillel.org) is **auctioning off a spot in our parking lot behind our building at 11 East Walnut Street. Want it?**

BONUS:

Your donation will be tax deductible AND... we'll advertise your business in our fall mailing to over 3000 parents, alumni and local community members.

Email Bids accepted at: molnarcj@mac.com until noon EST Sept. 1st. Check the auction progress at www.muhillel.org! Ties to be negotiated at the discretion of Rabbi Rachel Gartner.

We've done the math for you:

- *If you spend \$2.50/day on meters, five days a week, you spend \$650/year, not to mention parking tickets and competition for spots!*
- *You'll be contributing to the success of a worthy local non-profit cultural organization.*
